World Wide Metric, Inc. is a family owned and operated business for the past 35 years. We are here to introduce our family of products to the OEM Off-Highway Industry with a complete range of fittings and tubes for a variety of applications.

World Wide Metric stocks DIN 2353 Metric compression, SAE J514 JIC 37° flared, SAE J1453 ORFS, BSI 5200 BSP adaptors in carbon and stainless steel.

In addition to our fittings, we stock a complete range of metric carbon steel hydraulic precision seamless tubes acc. to DIN2391/2445 and Stainless steel seamless tubes acc. to ASTM A269.

Our knowledgeable sales staff is ready to help

answer your technical questions and provide you with the support you need.
